

# HUB TO HOST

## MANAGE RISK, MAKE NEW FRIENDS

Explore how a client can leverage costarrican talent with agile engagement models that work for the brand, the client and the employee.

### IDENTIFY TALENT GAP

#### Forecast skills needed:

- Relocation of current IT staff
- Fulfill new IT roles
- Implement new services

### LOCAL HOST

#### To manage the experience:

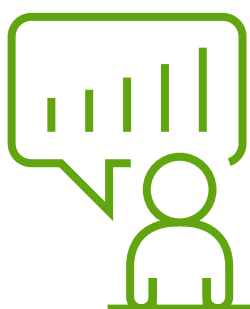

- VISA Process for a seamless employee experience.
- Understand local employment laws to secure 0% risks.
- Creates a local footprint with the current talent.

### TALENT RELOCATION

#### Safe travel & exotic benefits

- Wellness and safe tourism programs.
- Experiences the local culture & Pura Vida work style & benefits.
- Become employee #1 of a future IT branch in Costa Rica.

### HAPPY ENDINGS

#### Leverage local talent to create a local footprint:

- Increase productivity & speed to market with a proven outsourcing provider.
- Create your own operation in Costa Rica with 100% cost control
